

SAVE THE DATE!

4th Annual Psychopharmacology Institute and ISPN 13th Annual Conference

The Art, Science and Diversity of Psychiatric Nursing

March 29 - April 2, 2011
Westin LaPaloma Resort
Tucson, Arizona USA

The International Society of Psychiatric-Mental Health Nurses (ISPN) is offering a program of presentations and posters that addresses cutting-edge issues related to clinical practice, diversity, education and research in the psychiatric-mental health field.

The Call for Abstracts Deadline for the **Annual Conference, Psychopharmacology Institute, and Graduate Nursing Student Poster Presentations** is **July 15, 2010**.

Topics may include:

- Evidence-based practice
- Educational methods
- Innovative practice across the lifespan
- Safety, quality, and access to care issues
- Psychopharmacology with diverse, vulnerable and/or complex populations
 - Translational science
 - Legislative/policy issues
 - Trauma
- Complementary/alternative/holistic health practices

Advance your career and meet your peers for important networking opportunities and professional self-renewal at the 2011 Conference!

Visit the ISPN website at <http://www.ispn-psych.org> for more information about how you can participate in this exciting educational conference for advanced practice psychiatric and mental health nurses!

Contact hours will be applied for through the Wisconsin Nurses Continuing Education Approval Program Committee.
