### **ISPN Endorsement Policy**

#### **1.6 Endorsement of Activities of Individuals and Groups Outside of ISPN**

- When requested, the Board may grant endorsement of activities of individuals and other groups, which are related to the mission of the ISPN. This endorsement must meet the following guidelines:
  - Activities are consistent with the purpose and mission of ISPN.
  - Activities will promote or enhance the functions of ISPN.
  - Credit is given to ISPN for its work.
  - A fee and/or exchange of services, determined by the Board of Directors, may be charged for the endorsement.
  - When a request for endorsement is made, the individual/group will provide ISPN with a sample of the work and vita/resumes of each individual involved. The Board of Directors will then decide if endorsement should be given.
